

VERMONT TECH

February 27, 2017

POSITION ANNOUNCEMENT

- Position Title:** **Assistant Professor – Diesel Power Technology**
Full-time, **terminal**, VSC-VSCFF, 2017 Fall semester, Exempt
- Location:** Randolph Center campus
- Responsibilities:** Teach both lecture and lab (practical exercises) sections in **Heavy Duty Suspension, Steering and Alignment Systems (DSL 1010)** and **Diesel Power Systems (DSL 1020)** courses in the Diesel Power Technology program.
- Specific information on the coursework for each class is available by going to the Vermont Tech website, www.vtc.edu, clicking on “My Vermont Tech” and “Course Descriptions” and selecting the appropriate course descriptions under the Diesel (DSL) heading. For specific information about these courses or the Diesel Power Technology Program, please contact Steve Belitsos, Program Coordinator at sbelitsos@vtc.edu.
- The candidate will be expected to serve the college community by participating in committees and student advising.
- Note:** additional information about the Diesel Technology Program and Vermont Technical College may be viewed at the Vermont Tech website, www.vtc.edu.
- Qualifications** Bachelor’s degree plus significant field related experience (5-7) years) and field related certification/licensure where appropriate. Theoretical knowledge and paid professional experience in the above mentioned content areas essential.
- Starting Date:** 2017 Fall semester
- Application Deadline:** Applications will be accepted until the position is filled.
- To Apply:** Submit **mandatory** Vermont Tech employment application, cover letter & resume to jobs@vtc.edu. Employment application is available on the Vermont Tech website: www.vtc.edu/employment. **Incomplete application materials will not be considered.**

NOTE: This job is subject to a fingerprint-supported criminal background check. Any offer of employment is contingent upon the satisfactory results of this check.

Vermont Tech strongly encourages applications from members of ethnic minority groups and other under-represented backgrounds. Vermont Tech is an Equal Opportunity Employer and a member of the Vermont State Colleges system. In compliance with ADA requirements, we will make reasonable accommodations for the known disability of an otherwise qualified applicant.
